

## What is the Chagrin Falls Dads' Club?

The Chagrin Falls Dads' Club (CFDC) is a local support group that raises money and sponsors projects that benefit the kids in the Chagrin Falls School District.

Our motto is "Get involved, have fun, and make a difference."

In addition to the all the projects and fundraising we do to support the schools, CFDC is also a great way to get to know the fellow Dads in your community! We all share the same goal of making our children's time in the school system as rewarding as possible and have a great time doing it!

So who should join? Any Dad (or interested Mom) with children in the school district from pre-K to senior year.

### Dads' Club Mission Statement

Founded in the fall of 1996, the Chagrin Falls Dads' Club (CFDC) is a nonprofit corporation with two primary goals:

1. To improve the educational, recreational, and social opportunities available to the children of the Chagrin Falls School District, and
2. To promote good fellowship and a sense of community among all who participate in our organization and in our events.
